NATIONAL TRANSGENDER HIV TESTING DAY
APRIL 18

Come get a free rapid test with the Mobile Testing Unit surrounded by our local support! **National Transgender HIV Testing Day** is a day to recognize the importance of transgender and gender non-conforming people, status awareness, and HIV prevention and treatment efforts focused to serve transgender folks. For more information, visit us at somosfamiliavalle.org and tarzanatc.org **For more information / Para más información: (818) 428-0120**
